## EDITOR'S PREFACE

The major part of the contents of this volume have been copied from a large manuscript volume in the office of the adjutant-general, the compilation of which was authorized by the General Assembly in 1841 and completed in 1843 by Chauncey L. Knapp, acting Secretary of State. This precious document carries the following title :

Records | of the | Service of the Vermont Troops | in the | Revolutionary War | being a | Transcript made by order | of the | General Assembly | of | Pay Rolls, Pay-Table, Orders & Receipts | originally filed as | Vouchers in the Treasurer's Office | by C. L. Knapp. | 1843.

Of this volume 385 pages are taken up with the rolls, and 156 more with other papers. Other sources have been : the Henry Stevens papers in possession of the State of New York, with other documents in the archives of the same State ; volume xv of the " Archives of the State of New York ; " " New York in the Revolution " (1898), and the " Supplement " to this work (1901) ; also the New Hampshire Rolls (4 vols.), and three volumes compiled since the publication of the Rolls by General George C. Gilmore of Manchester, N. H. The derivation of still other material is indicated in connection with the documents used.

While duplicate rolls have been rejected, a few have been included which supply but little additional information, in the belief that it is better to err on the side of fullness than to omit anything which could add to our detailed knowledge of the men and events of the Revolution.

The strictly chronological arrangement so desirable in a work of this kind will not be found. Most of the very early rolls came to hand after the printing had begun, and so were reserved, to be inserted after the rolls of the MS Roster were completed. The dates of some rolls could not be definitely ascertained ; besides, there was thought to be some advantage in exhibiting in consecutive pages the matter derived from the New York Archives, vol. xv, e.g., as also

that from the Records of the Board of War, etc. An attempt to remedy, in part, this lack of chronological sequence is made in the Index on page 844.

The Index of Names has given much trouble. It was decided to present the documents, especially the oldest ones, with the original spelling, pointing, etc. The various phonetic ways of spelling surnames, especially, could not all be reproduced in the Index. It is hoped, however, that a sufficient key has been furnished for the finding of every name.

As the act authorizing this publication calls for information respecting "sailors and marines," application was made through Senator Proctor to the U. S. Navy Department for any information in its possession, but without result. On suggestion of Assistant Secretary Charles H. Darling inquiry was also made at the Library of Congress, but no records were found there of Vermont soldiers or sailors of the Revolution, as such. And indeed there was no antecedent probability that such records would be found, as in those years there was no "Vermont," in the view of the Continental Congress.

The early Journals of the General Assembly, some in manuscript, and others so rare as to be accessible only in the State Library, and the original Records of the Council of Safety and of the Board of War, have been examined for such (additional) information as might contribute to the general object of the volume. Some material from various sources, prepared to illustrate and supplement the documents here given, was finally rejected as not strictly germane to the specific intent of this publication.

# REVOLUTIONARY WAR ROLLS

## CORRECTIONS AND NOTES

[It is proper to say here that the Editor expected to see the first sixteen pages a second time before they were put to press.]

- Page 5, line 1, "bounty" should be inserted before "blanket."  
8, line 15 of table, for Hatho. read Nath.  
9, line 9 from bottom, for Wolbridge read Walbridge.  
13, line 8, date should be 1785.  
14, line 7 from bottom, "Filed—Report," etc., belongs to previous document.  
26, line 12, for Libbens read Libbeus.  
33, line 2 of table, for Ramsey read Ranney.  
123, line 9 from bottom, date 1778 affects only the next line.  
124, add Note: One name appears to have been cut from this roll in binding.  
182, first line of lower table, read Warren.  
298, Charles (Parker) in heading is a correction in Book of Rolls for Clarke (erased)—perhaps itself an error.  
353, heading of table, read *Gilson's*.  
356, heading, read *Bush's*; also in next line.  
504, heading, *Dater's* should perhaps be *Daters'*.  
631, line 13, 1784 is evidently a scribe's error for 1783.  
711, line 17, Col. Lee wrote Capt. after his signature; changed by someone (in Roster) to "Col."  
833, Thurston probably became "Thurstininlis" by interlining in the original roll.  
866, line 1, for Colton read Cook.

## ROLLS OF THE MEN

### Engaged in the War of the Revolution

---

[The following Rolls are mostly copied from a manuscript volume in the office of the Adjutant-General, into which the original rolls were transcribed by order of the General Assembly in 1843. These are supplemented by material found in two publications of the State of New York: "New York in the Revolution as Colony and State," 1897; and "Documents Relating to the Colonial History of the State of New York," Vol. XV, being "State Archives," Vol. I, 1887; and elsewhere. Figures in brackets at the beginning of a roll indicate the page in the manuscript volume mentioned at which it may be found.

Departures from present custom in spelling, punctuation, and use or non-use of capitals should not be hastily charged to the account of the proof-reader, an effort having been made to reproduce such peculiarities of the Rolls as are not manifestly lapses or oversights on the part of the writer. The original errors in dates, in summation of figures, etc., are also meant to be preserved. The true reading of some proper names it has been possible only to guess at ]

Attest, Thomas Lee, Capt.

Windsor 12th Feby } To the Honorable General Assembly now  
1781 } sitting in this place.

We your Committee appointed to examine the circumstances of the within Muster-roll relative to the time of the enlistment and discharge of those men therein contained,—beg leave to report that upon our most critical examination we find that the whole of those officers and soldiers that are set in said Roll have served in the service of the United States for the space of about three years according to the within representation; excepting those whose names are hereafter mentioned, and that those persons last mentioned were hired by the former by whom they were succeeded upon the encouragement that they should take the benefit of whatever might hereafter be recovered on account of the depreciation of money or otherwise.

Lieut. Able Wright	exchanged for Lieut. John Mott	March 1, 1778.
Hannaniah Brooks	exchanged for Limas Bonatt	December 1, 1778
Archippus Blodgett	exd. for Philo. Johnson	Decr. 1, 1778.
David Earl	exd. for John Hastings	“ “
Asa Hale	exd. for Elijah Goodwin	“ “
Ebenezer Humingston	exd. for Curtis Smith	“ “
Isaac Harris	exd. for Chandler Tuttle	“ “

It is therefore the opinion of your Committee that the Assembly recommend to the Committee of Pay Table to pay such sums or considerations as said Assembly shall in their wisdom think proper to grant, (if anything) to such persons as shall make it evidently appear to said Committee that they are the persons that have a right to said grant.

Auditors office N York Oct 16 1787

The Act for the Settlement of the pay of the Levies & Militia for their Services in the late war is Repealed by the 14th Clause of an Act entitled an Act for the Relief of persons who paid money into the Treasury &c & for other purposes therein mentioned passed the 21st April 1787 of Course I am not authorized to audit any more claims for pay—

When the Legislature repealed the law they conceived that sufficient time had been given to the officers to bring in their pay rolls & those that have not done it in time deserve to loose their pay, & in Particular Capt. Ashley deserves it, because it appears by the Affidavit above that he has had it ready the 3d Nov<sup>r</sup> 1777 Mr. Sands was then Auditor why was it not presented to him when all the circumstances were known & fresh. The reason I suspect that it was not then presented was owing to a Resolution of the Council of Safety of the 30th Aug<sup>t</sup> 1777 the purport of which is that the Capt. had not performed the conditions of the Contract

[Capt. Timothy Bedel, of Bath, N. H., received his captain's commission 7 July 1775 (dated June 23) and his company was mustered July 29. This contains 2 men from Moretown, 2 from Fairlee, and 1 from Newbury (included in next roll). Col. Bedel's regiment (3 companies) were in service in Canada, at St. John and elsewhere. In 1776 Col. Bedel's regiment (8 companies) was ordered to join the "Northern Continental Army." They were near Crown Point 5 Sept. 1776.]

[Colonel Moses Hazen's Regiment was made up of men from New Hampshire and *the Grants*, Canadians and Indians. But in the rolls as printed in N. H. Rolls, IV.292-311, there is no indication of the Towns or States from which the men came. The original rolls are in a volume of N. H. MS documents in the Department of State, at Washington.

Col. Hazen was appointed in January, 1776, colonel of a regiment called "Congress's Own Regiment." June 2, 1781 he was made brigadier-general, and remained in the army till the close of the war. He died at Troy, N. Y., in 1802 or 1803.

The "Hazen Road," begun by Gen. Bayley of Newbury in 1776 was continued by Col. Hazen in 1779 from Peacham through Cabot, Walden, Hardwick, Greensboro, Craftsbury, Albany and Lowell. It extended to "Hazen's Notch" in Westfield near the line of Montgomery. See *Gov. & Council*, I.218. Also, Z. Thompson's *Civil Hist. Vt.*, 68.]

## ADDITIONAL PAYMENT OF SOLDIERS

## IN CONSEQUENCE OF DEPRECIATION OF MONEY.

[It seems desirable to outline here the course of State legislation and action in regard to the Pay of the Militia in active service.

At some time previous to 29 August 1777 (but not shown in the extant Records) the Council of Safety had "Resolved that 375 men of the Militia of this State should be Raised for the defence of this and the United States of America."

At this date, "Whereas the price of Provisions and Clothing are Raised to exorbitant Prices," they

"Resolved therefore that fifty shillings p<sup>r</sup> Month be paid to Each person that shall Serve agreeable to the aforesaid Resolution, in Addition to their Continental pay."

The General Assembly, 25 March 1778,

"Voted, to add to the soldiers' wages, that is to be raised according to a vote of this House, so much as to make their wages four pounds per month. Also, the same addition to be made to all the soldiers that are already inlisted into Col. Warner's regiment, that do belong to this State, from the first day of May next, to the last day of November next."

18 June 1778, it was

"Voted, that four pounds per month, and forty shillings bounty, be allowed each soldier" (by a previous vote, raised to guard the frontiers).

19 Oct. 1778, it was

"Resolved, that all the non-commissioned officers and soldiers, belonging to this State, which have been, or may be, raised for the defence thereof, for the present campaign, shall be entitled to fifty shillings per month, in addition to the sums established by the continental Congress, to be allowed as wages in such cases."

In June 1781 the General Assembly passed "An Act for the purpose of making up the Depreciation of the Continental Money to Colonel Warner's Regiment, and Captain Lee's Company."

Each officer and soldier who had had a right of land granted him was to have the price thereof deducted from the money due; and such as had not, were to have a right granted them and be subject to the like reduction.

The Committee of Pay-table were directed to draw on the Treasurer for the sum of £20 for each field officer; £12 for each captain or other commissioned officer; and £6 for each non-commissioned officer or soldier, "agreeable to a former resolution of the legislature for making up the depreciation." The balances found due after the proper deductions, were to be paid by loan-office notes on interest at 6 per cent; to the officers, one half within three years

from 1 March 1780, the other half within two years from the same date; to the soldiers, the whole of the balance within two years.

The colonel's pay was to be £15 per month; lt. colonel's £12; major's £10; captain's £8; lieutenant's £5.8; ensign's £4.10; sergeant's £2.8; corporal's, drummer's or fifer's £2.4; and private's £2.

An act passed April 1781 ordains that all contracts made on or before 1 Sept. 1777 for lawful money or bills of credit shall be deemed equal to the same nominal sum of gold or silver; that all contracts made in this State between 1 Sept. 1777 and 1 Sept. 1780 understood or expressed to be for the common currency of the United States, shall be rated at Spanish milled dollars, or other coins or currency equivalent, agreeably to a table which was appended to the act.

This table, starting from 100 1 Sept. 1777, rises to 140 1 Jan. 1778; 240 1 July 1778; 450 1 Jan. 1779; 1100 1 July 1779; 2000 1 Jan. 1780; 5000 1 July 1780; and 7200 1 Sept. 1780. Each month has its special rate assigned. (For the Table, see *State Papers*, 430. See also *Gov. & Council*, I. 152, and *State Papers*, 266, 274, 281, 429, 437)]

[This Table and the next have been made up from orders, receipts and transfers which appear to have been on file in the Pay Table Office. Specimens of these documents are also printed, to show how the business was sometimes transacted.]

[494] [*Petition in behalf of Benjamin Winchester*]

To the Honorable, the General Assembly of the State of Vermont, to be held at Bennington,

Your petitioner humbly sheweth, that Benjamin Winchester a minor was last summer a soldier in the service of the State, and the latter part of the time was sick and came home so, and was for two months unable to do any business; was part of the time under the care of a physician; and as it was customary in the former wars, where a soldier was sick and came home sick made whole at the cost of the province to which said soldier did belong; your petitioner prayeth that a compensation for the loss of his time & expenses may be made to him as your Honors shall in your wisdom think proper; however, submitting the same to your sagacity; not expecting that you will make a new precedent for me only; trusting at the same time that the state of Vermont for humanity, justice, and generosity, will vie with any of the states on the Continent; and your petitioner as in duty bound, will ever pray.

Joseph Winchester.

Marlboro' June 11th 1781.

This may certify to whom it may concern, that Benjamin Winchester as mentioned in the above petition, did come home in a bad state of health, and was really unable to do any business for a considerable time; just how long I do not know: was however, under my care as a physician and did take medicines for the restoration of his health--

See Treasurer's Certificate, or receipts herewith, that I have reimbursed the Treasury with the said sum of Two hundred & sixty pounds 12/5

*Note.* I view myself still accountable to the soldiery for the said years 1780 & 1781, agreeable to a resolution of the General Assembly, passed in October 1782, directing me to settle in full with the Troops for the said years; and I also view myself accountable for all my Due Bills, not counterfeit, that I have not yet taken up, from the Treasurer, (the Sum of which is now become inconsiderable, altho' I am not able at the present to determine it exactly) for which responsibility I suppose my Bond of £1,000, now in the Treasury, to be sufficient.

But being thus accountable, if the above sum of £70.0.11½ remaining unpaid, should be called for by the Soldiers, I shall expect from the Generosity of the Hon<sup>ble</sup> the General Assembly, that they will make me an allowance for the £37.10.7¾; thro' Errors overpaid; and also for the time I have necessarily spent in redraughting & arranging these accounts for settlement, it having taken me, at the least, four months, my rendering, at the same time, an account of what may then remain of the said £70.0.11½ on hand. If it be thought that this is a long time to be engaged, in preparing these accounts for Settlement, let it be observed, that I have to open a separate account with every soldier, Debt & Credit, and in some instances have 20 & 30 Orders & Receipts, as vouchers to one account, so, that (besides a large number of Rolls & other papers, & all my vouchers, which are numerous,) my accounts in *Book only*, upon this redraughting, fill 363 pages in Folio

Books, the greater part of the writing & figures, being at the same time small & connect[ed?].

I hereby certify and attest, that, the preceding is a just & final stating of Pay Accounts, for the year 1780 & 1781, at the present time, Errors excepted, as it respects the soldier, & the Public, viz; That there was due to the soldiery, twenty two thousand, one hundred eighty nine pounds 6/1 Lawful Money; That there has been paid, twenty two thousand one hundred fifty six pounds 15/9¼; That there remains due, seventy pounds 0/11½; and, thro' Errors overpaid, thirty seven pounds 10/7¾; and that I conceive it remains for me to take up my remaining Due Bills, & satisfy the delinquent Soldiers, upon application.

Attest Tho<sup>s</sup> Tolman, late Pay Mas<sup>r</sup>

Arlington, Aug. 4th 1786.

To the Hon. the Auditors of Accounts.

N. B. Let it be remembered that, for the cloathing which the soldiers had, I then gave my receipt upon the Pay Rolls,—took the risk of delivering it to them; & did it at the same lay at which I received it by the quantity.

*Die Martis, 9 ho. A. M. 15th Augt, 1775.*

A letter from General *Schuyler* of the 31<sup>st</sup> of July last was read and filed and is in the words following:

*Ticonderoga, July 31<sup>st</sup> 1775.*

Gentlemen.

I do myself the honor to enclose you a copy of a letter and paper I have received from the people called *Green Mountain Boys*, together with a copy of my letter in answer. I am apprehensive, that the Controversy, that has arisen amongst them, relative to Field Officers, will cause delay in the levies.

Whilst at *New York* and even after my arrival here, on conversing with *Allen* and *Warner*, I did not conceive, there would have been any contest between them, or that a third person would have been recommended by the People as a Field Officer; on that supposition and believing the people unanimous in their favour I should not have hesitated to have recommended them.

The several papers referred to in the preceding letter from General *Schuyler* were respectively read and filed and are in the words following:

“ May it please your Honour.

In compliance with the Orders of Congress as well as your recommendation, I enclose the proceedings of our Committee Meeting on the *New Hampshire Grants*, upon due notice to the Towns in General — all which is humbly submitted to your wisdom, not doubting but the warrants will issue agreeable to our wishes.

We are &c &c

NATHAN CLARK, Chairman.

*Dorset* July 28<sup>th</sup> 1775.

To the Hon<sup>ble</sup> Gen<sup>l</sup> *Schuyler*.

At a Meeting of the Committees of the several Townships on the *New Hampshire Grants*, West of the Range of Green Mountains, convened at the house of Mr. *Cephas Kents* in the Township of *Dorset*, July 27<sup>th</sup> 1775—Voted as follows, to wit:

1<sup>st</sup> Chose Mr. *Nathan Clark* Chairman.

2<sup>d</sup> Chose *John Fasset* Clerk.

3<sup>d</sup> The motion being made and seconded—Whether this Convention shall prosecute in choosing Field and other Officers, according to the Provincial Congress and your Honour's directions?

Passed in the Affirmative: Then proceeded as follows:

4<sup>th</sup> Chose Mr. *Seth Warner* Lieutenant Colonel for the Regiment of *Green Mountain Boys*, by a majority of forty-one to five.

5<sup>th</sup> Chose Mr. *Samuel Safford* Major for said Regiment by a majority twenty-eight to seventeen.

Then proceeded and chose seven Captains and fourteen Lieutenants by a great majority, viz:

Captains	First Lieutenants	Second Lieutenants
<i>Weight Hopkins</i>	<i>John Fasset</i>	<i>Johan Noble</i>
<i>Oliver Potter</i>	<i>Ebenr Allen</i>	<i>James Claghorn</i>
<i>John Grant</i>	<i>Barnebas Barnam</i>	<i>John Chipman</i>
<i>William Fitch</i>	<i>David Galusha</i>	<i>Philo Hard</i>
<i>Gideon Brownson</i>	<i>Jille Bleaksley</i>	<i>Nathan Smith</i>
<i>Micah Vail</i>	<i>Ira Allen</i>	<i>Jessee Sawyer</i>
<i>Heman Allen</i>	<i>Gideon Warren</i>	<i>Joshua Stanton</i>

NATHAN CLARK Chairman.

H<sup>d</sup> Q<sup>rs</sup> *Ticonderoga*, July 31<sup>st</sup> 1775.

Sir: Your letter dated *Dorset* July 28<sup>th</sup> has been delivered me by Captain *Fitch*, together with all the votes, that were enclosed.

The choice of the Captains and Lieutenants being left unconditional to the people, those chosen will receive their Warrants as soon as they come to my hands — and that the levying of the men may not be retarded, you will signify to them, that I hereby empower them immediately to proceed to that business without waiting for the warrants . . . .

The votes I shall immediately transmit to Congress, that they may approve of the Field Officers or appoint others out of your Body, as they may think proper.

I am, Sir, &c &c

PH. SCHUYLER.

To Mr. *Nathan Clark*.

*Ordered*, that Blank Warrants be sent to General *Schuyler* for the seven Captains & fourteen Lieutenants of the Troops to be raised by this Colony from among those called *Green Mountain Boys*.

*Ordered*, that General *Schuyler* be requested and authorized to appoint a Lieutenant Colonel or Major or both for the Troops to be raised by this Colony from among those called *Green Mountain Boys*, when such a number are raised as (in his opinion) shall make it necessary.

*Resolved*, that when the *Green Mountain Boys* are raised, each of them shall be furnished with a Coat and that Mr. *Peter T. Curtenius* be requested to purchase coarse green Cloth for that purpose and red Cloth sufficient to face those Coats and to have two hundred and twenty-five Coats of a large size made of the said Cloth.

*Die Jovis, 9 ho. A. M. Aug. 17th 1775.*

A draft of a letter to Major General *Schuyler* was read and approved and is in the word following, to wit:

In Provincial Congress.

*New York, Aug. 17th 1775.*

Sir: We have received your favour dated the 31<sup>st</sup> July last covering the proceedings of the *Green Mountain Boys* in their choice of Officers & agreeable to your request enclose you twenty-one Blank warrants to be filled up agreeable to their choice.—The Field Officers were to be recommended jointly with you by this Congress, but as we are ignorant of the merits and qualifications of those among them, who would be equal to the appointment, we have therefore concluded to leave the appointment to you. The disputes already subsisting amongst their chiefs, the principles whereof we are strangers to is an additional inducement in determining us to this reference. Your acquaintance with them we hope will enable you to fix the choice on such persons as may be least exceptionable and who will most effectually promote the service.

(Extracts from letters of Gen<sup>l</sup> *Schuyler* of the 20th and 23d Aug.)

"Reports prevail, that the controversy between *Allen* and *Warner* is carried to such a length, that few men will be raised and that of those, that may enlist very few will have arms."

"This morning (23<sup>d</sup>) Mr. *Warner* was with me for the Cloathing and Blankets of the *Green Mountain Boys*; I read your resolutions to him and delivered six sets of warrants filled up agreeable to the choice made by them, —the seventh remains blank, as one of the Captains declined the service, and as these people could not take the field without some money to procure blankets, I have advanced him £500 on their pay.

"I did not mention to him your resolution authorizing me to appoint Field Officers, as I cannot possibly comply with that requisition. The peculiar situation of these people and the controversy they have had with this Colony or with gentlemen in it, renders that matter too delicate for me to determine and it was in this view, that I begged, that the warrants for the Field Officers might be sent me compleat, which I shall hope to receive as soon as possible."\*

*Die Veneris 10 ho. A. M., January 1st., 1777, at Fishkill.*

[Extract from a draft of a letter to General Washington]

[This State] formerly consisted of fourteen Counties of which five and a part of the sixth are in possession of the enemy and a considerable part of the Inhabitants of the Counties of Gloucester, Cumberland and Charlotte appear determined to shake off their dependence upon us so that above one half is lost; of the remainder a considerable portion is disaffected and ready upon a favorable opportunity to join the enemy.

*Sunday Morning, February 9th 1777.*

\* \* \* \* \*

Whereas There is great reason to apprehend, that the Militia of the said Counties (of *Albany, Tryon, Charlotte, Gloucester* and *Cumberland*) are not armed and accounted as the regulations for the Militia of this State require.

Resolved, that such of the said Militia of the said several Counties, who shall not on being detached for the service aforesaid [re-inforcement of Ticonderoga] be well armed and accounted, be supplied by impress with arms and accoutrements from the rest of the Militia of the said Counties respectively, that is to say — The detachment of each Regiment to be armed and accounted

from the rest of the militia of such regiment and the Brigadier general of each of the said Counties and such persons as they respectively shall authorize for the purposes hereby directed and required to make such impress as aforesaid.

*May 28th 1777.*

Resolved,<sup>1</sup> the time allowed for raising the three Companies to be by him (*Wheelock*) raised in the Service of this State be prolonged eight Weeks<sup>2</sup> from the Time formerly allowed by the Resolutions of the late Convention for that purpose.

Resolved, that *Samuel Paine Esq. & Eleazar Wheelock* the one by Major *Wheelock* appointed a Captain & the other a Lieutenant be commissioned—And that Major *Wheelock* direct Lieutenant *Wheelock* with the Privates of Captain *Pains* Company to march to *Fishkill* in *Dutchess* County without Delay there to receive and follow the further Directions of the Council of Safety or Executive power of this State.

Resolved, that General *Bayley* of *Gloucester* County be requested to order one of the Companies of the Troops raised in the Counties of *Gloucester & Cumberland*, usually called Rangers, to march to *Kingston* in *Ulster* County without Delay to follow the further Directions of the Council of Safety or executive power of this State.

*Newburg, 14th June 1777.*

Gentlemen.

\* \* \* The Calling for the Rangers is stripping the Frontier of Men & Arms, which Order I received by Major *Wheelock* with a Verbal Account, that the others would soon follow, I gave the Orders for the March of the first Company but had no Money to March them, which they Insist upon. They Insist, that if the Conditions, they were raised upon, is altered in one part, it must be in all before they March they say their Subsistence Money will not half Support them on their March nor at *Kingston* when they arrive.

I am, Gentlemen, &c

To Committee of Safety *Kingston*.

JACOB BAYLEY

*Die Jovis, 4a ho. P. M. July 17th 1777*

Whereas Major *John Wheelock* hath represented to this Board, that the late Convention of this State did on the eighth day of April appoint him to raise three Companies of men in the Northeasterly part of the same. the Officers of which Companies were not to be entitled to Commissions, until at least one hundred and fifty men should be enlisted; Notwithstanding his utmost Exertions and the Prolongation of the time limited for the raising the said men, he hath been able to enlist only eighty men and that there is no Probability of enlisting any more by reason of the open Defection of that part of the State and other Incidents then unforeseen, For which Reasons he hath requested this Board to determine either to confirm or disband the same corps.

And whereas it appears to this Council both reasonable and expedient, that the men so raised should be taken into the service of this State on the Terms of their enlistment, Provided that Supernumerary Officers concerned therein will relinquish their Expectations of Commissions.

Resolved, that if any Six of the twelve commissioned Officers named by Major *Wheelock* for the said three Companies shall voluntarily discharge themselves from the same Corps, That then Major *Wheelock* do forthwith march all the men so as aforesaid by him enlisted with the Residue of the Officers to this Place, That on their Arrival here their respective Commissions be delivered to them and the Corps stand confirmed.

(1) Upon a memorial to that effect, presented by Major *Wheelock*.

(2) Major *Wheelock* had 70 men on the 28th of June following.

*Resolved*, that such of the Supernumerary Officers to be discharged as aforesaid as shall at any time within nine months from the date hereof procure and produce to Major *Wheelock* or the commanding Officer of the said Corps so many men to enlist in either of the said Companies as to render such additional Officer or Officers necessary to the said Company, shall be received and commissioned accordingly, but shall draw pay only from the time of such Junction—It being the Intention of this Council to give Countenance and Encouragement to all such as shall exert themselves in the Service of the State, Provided nevertheless that no number of men less than fifteen shall entitle a Subaltern to a Commission, nor a less number than twenty men shall entitle a Captain to a Commission.

*Resolved*, that unless the above Resolutions be complied with in four weeks from the Date hereof the said Corps be disbanded & that Major *Wheelock* do repair hither to settle his Accounts.

*Resolved*, that on the Arrival of Major *Wheelock* with the Eighty men and six Commissioned Officers aforesaid at *Kingsston* Captain *Wait's* Company of Rangers, who are also ordered to repair to this place be put under his Command.

Lieuts. Gideon King, Jarvis Wudge, and Aaron King, are named as belonging to Col. Ethan Allen's force, and that force is classified as forming a part of Moylan's Fourth Light Dragoons. [p. 250]

[A "Dorset Regiment" had been raised in Charlotte Co., N. Y., and the officers elected and commissioned in Sept. 1775. In June 1783 this regiment contained a "New Haven Company" under Capt. William Hurlbut. These names are evidently complimentary to the eastern or Vermont section of the county, but no sure token appears that any part of this regiment was actually recruited from what is now Vermont territory. [pp. 275, 276]

*Pay-book for the year 1780*

This is a manuscript volume, found among the before-mentioned Vermont Papers, but without further indications as to what State or Regiment the six Companies belonged [to]. A comparison of the names contained in it with names in the U. S. Pension Rolls has convinced the Editor that these troops were of the *Vermont Militia*.

[The two Rolls which immediately follow are copied from "New York in the Revolution as Colony and State." These Records were discovered, arranged and classified, 1895-1898, by James A. Roberts, Comptroller. The first edition was issued in 1897. The second, enlarged, edition of 1898, which is here followed, contains forty-two additional names of "Green Mountain Boys."]

THE LINE—ADDITIONAL CORPS (GREEN MOUNTAIN BOYS)

[These muster-rolls are recorded as "Major Brown's Detachment," and that detachment is mentioned as in "General Arnold's Regiment." (The only mention of General Arnold found in our records.) The fact that the "Green Mountain Boys" were at Quebec in 1776; that this detachment was also at Quebec in 1776; that two of the officers on these rolls—Captain and Commissary Elijah Babcock and Captain Robert Cochran—are identical in name and rank with those on a list handed to the Provincial Congress of New York by Ethan Allen and Seth Warner, on July 4, 1775, as officers for the Green Mountain Boys; and the further fact that none of the men are recorded in any other place, or with any other organization, all confirm the belief that the soldiers on its rolls herewith were a part of that historic band.]

### *The Cannon Captured at Ticonderoga*

The Cannon that were captured by Col. Ethan Allen, at Ticonderoga, were inspected by Gen. Henry Knox, and transported to Boston in the winter of 1775-1776. They were so effectively placed on Dorchester Heights that the Enemy soon evacuated Boston. The number, and weight, of the pieces moved was as follows: Two brass Cohorns,\* total weight 300 pounds; four brass Cohorns, weight 400 pounds; two brass Mortars, total weight 600 pounds; one iron Mortar, weight 600 pounds; two iron Mortars, total weight 3,600 pounds, and three iron Mortars, the total weight of which was 6,900 pounds. Of Cannon, in brass, there were eight three pounders weighing 28,000 pounds, three six pounders weighing 1,800 pounds, one eighteen pounder, weight 1,200 pounds, one twenty four pounder, weight 1,800 pounds. Of Iron Cannon there were six six pounders, total weight 15,000 pounds; four nine pounders, total weight 10,000 pounds; ten twelve pounders, total weight 28,000 pounds; seven double fortification Cannon, the total weight of which was 28,000 pounds; and three others, the weight of which was 15,000 pounds. Added to these were two iron Howitzers.

\* [A Cohorn, or Coehorn, is a small mortar, generally 4½ inches in caliber, light enough to be carried by a few men, usually four.]

THE WESTMINSTER MASSACRE

The casualties in this unfortunate affair appear to have been four: William French of Brattleborough, shot to death at Westminster Court House just before midnight, March 13, 1775, and buried with military honors on the 15th. The monument to his memory stands near the centre of the old graveyard at Westminster and shows the following quaint inscription:

In Memory of WILLIAM FRENCH  
Son to Mr Nathaniel French Who  
Was Shot at Westminster March y<sup>e</sup> 13<sup>th</sup>  
1775 by the hands of Cruel Ministereals  
tools of Georg y<sup>e</sup> 3<sup>d</sup> in the Corthouse at  
a 11 a Clock at Night in the 22<sup>d</sup> year of his Age

Here William French his Body lies  
For Murder his blood for Vengance cries  
King Georg the third his Tory crew  
Tha with a bawl his head Shot threw  
For Liberty and his Countrys Good  
he Lost his Life his dearest blood

Daniel Houghton of Dummerston, shot in the body the same night, survived nine days, and was buried near the grave of French. Tomb not marked.

Jonathan Knight of Dummerston received a buck shot in the right shoulder, and is said to have carried it there for more than thirty years.

——White, from Rockingham, was severely wounded in the knee, and for a long time incapacitated for labor.

[Accounts of this affair may be seen in *State Papers*, 55-59; *Hall's Hist. Eastern Vt.*, 218-234; *Vt. Hist. Gaz.* V. 570-576, &c.]

*Major Hopkins and Party Surprised at Fourteen Mile Island*

St. Johns, 20th July, 1779.

A boy 9 years old, S. Thomas

A Mrs. Scott and one child were wounded and left with another child on the island. The Indians stripped and scalped the men that were killed, but did not offer any violence to the women after the first fire.

The officers say that Colonel Warner's regiment is not quite two hundred strong--the company of Rangers, 34 men, is at Saratoga; a subaltern and 15 men at Bennington, and the rest at Fort George under the command of Lieut. Col. Safford."

[From the Haldimand MSS in the British Museum, vol. 21, 842; came through B. F. Da Costa of New York City to H. D. Hopkins of St. Albans.]

Another letter in the same volume says of this party: "They belong to the State of Vermont, commonly called Green Mountain boys, and have been the most cruel and inveterate people from the beginning of the rebellion, for after the affair at Bennington in 1777, the women insulted and abused some of our prisoners more than the men."

[The three brief documents which follow, though not in place here, are too valuable to be altogether omitted.]

## EVENTS GROUPED BY YEARS

[Since, for reasons partly given in the Preface, it was not possible—and in many cases did not appear desirable—to reduce all events and documents to a strict chronological order, it is hoped the following Table, supplementary to that of General Contents, will serve the uses of those who seek a complete view of the occurrences of any one year, or of the succession of events through the war.]
